

Simplified Enrollment

*Versatile Merchant Solutions is a registered ISO/MSP for Wells Fargo Bank, N. A., Walnut Creek, CA.
877-510-2265 www.vmspayers.com*

The first step in the process is for merchants to create an account. All fields on the page are required.

The image displays three overlapping screenshots of a merchant account creation interface. The top screenshot features a banner with the text "App ID: Town Deli - 1563" and "Have questions? Call NAS UAT Team at 248-269-6001". The middle screenshot shows the "phoneSWIPE" logo and "App ID:" field. The bottom screenshot shows the "Create account" form with fields for "Email Address", "Password @", and "Confirm Password @", and a "SAVE & CONTINUE" button.

If the product is PayAnywhere Storefront or Phone Swipe, the username and password created will also be used to login to the Inside portals.

The app ID will be shown if needed at a later date.

The merchant's information will auto-fill from the fields that were entered on the lead form such as first name, last name, phone number, and email address.

Additional fields will appear by clicking.

App ID: 1227

☐ I have a separate Mailing Address for my Business

SAVE & CONTINUE

If the business address is the same as the Principal address, just check the box and the address will autopopulate from the All About You page.

If the merchant is a Sole Proprietor and does not have a unique EIN, they should enter their full SSN here.

If the merchant has a separate mailing address, selecting the checkbox will allow for additional fields to appear.

A green check will appear if all the fields have been filled in properly.

A red x will appear if any fields have been left empty.

SAVE & CONTINUE

A routing and account number must be entered to complete the application

We will automatically check the account and routing number to help ensure your merchants receive their deposits. If the routing number displays a financial institution that is not familiar or recognized by the merchant, it is likely incorrect and should be corrected before submitting.

Once all the fields have been completed, the merchant can review the confirmation page and agree to the terms and conditions.
